

# Quality Policy

*American International Services is committed to providing its customers with superior quality products, procurement and logistics services which meet their customer's expectations.*

*American International Services strives to have the right people in the right place at the right time and anticipate difficult field conditions to minimize interference to our customer's business operations.*

*To support these objectives, American International Services maintain an ISO 9001:2000 compliant Quality Management System designed to address:*

- *Customer Satisfaction of our Delivery, Technical and Quality Requirements*
- *Management of our Suppliers and Subcontractors*
- *Project Management, and*
- *Continual Improvement of our services and processes*

*Salah Maarouf – V.P President & COO*
